about KRFH
radio free humboldt

KRFH is the student run radio station of Cal Poly Humboldt in Arcata, CA. We student disc jockeys keep the dream of a non-commercial, free-form radio alive. From our station in the basement of Gist Hall, our DJs pump out constant music, newscasts and public affairs programming. We also broadcast live on-the-scene sports coverage, host local bands for live on-air shows weekly, produce a zine, host events, and so much more. With many unique personalities and formats hitting our airwaves every day, it's hard to foresee what you'll hear next on KRFH, which is precisely why KRFH is great.

join KRFH
enroll in JMC 154 and 155

JMC 154 is a radio production class and a co/prerequisite to JMC 155, which is the KRFH radio station class. KRFH has a community of talented student DJs that you could be a part of!

Contact KRFH admin and professor Cliff Berkowitz for more information on enrollment.
